Neither the Friends of the Library nor Huntington City-Township Public Library will be responsible for appraising or documenting donations for the purposes of income tax deductions. Such appraisals are the responsibility of the donor. The Friends of the Library will provide appropriate documentation of the receipt of materials.

Other Items

Items other than books and audio-visual materials may be accepted on a case-by-case basis at the discretion of the Library Director. Once donated all items become the property of Huntington City-Township Public Library and may be disposed of or distributed as appropriate.

Memorials

Individuals or groups wishing to provide a donation in memory of a specific individual may do so in a monetary form. Monetary donations for materials will allow the donor to specify a subject for materials to be added to the collection. Library staff will determine the best materials to be added to the collection and will determine the most appropriate way to distribute the funds. Requests for specific titles may be made, however Library staff may choose not to select that title based on collection needs. Material memorial donations will not be accepted unless except at the discretion of the Library Director. Memorial items will receive a book plate with the memorial information and all donors will be recognized on the Library website. Once added to the collection all memorial items become the property of Huntington City-Township Public Library and may be disposed of or distributed as appropriate.

Indiana Room

Donations of historically significant items and documents may be made to the Indiana Room independently of any of the conditions outlined in this policy. These donations will be accepted on a case-by-case basis at the discretion of the Indiana Room Department Head and the Library Director. Once donated all items become the property of Huntington City-Township Public Library and may be disposed of or distributed as appropriate.
